Group Foodie Squad 'What to eat'

Prepared by

Nadia Mayee 1624546

Ruba Khalid 1629576

Irien Akter 1632528

'What to eat' is a website for those who love to find restaurant to eat around iium and also KL and we also provide a recipe for selected cuisine and also healthy food from around the world. More than that the best review from social media which you cannot missed.

1. Group Contributions

Each of the team members prepared at least 4 web pages for the progress presentation

as shown in Table 1. At the moment, only 2 menus for each type from recommended restaurant,

2. Future enhancement

A list of completed menus and restaurants will add more during final presentation.

Future enhancement shall also include

Contributions are shown in Table 1.
